1. The aim of descriptive writing is to provide a detailed account of something. Descriptive writing can be used to describe a place, a person, an event, or an object. Descriptive writing is often used to create a vivid image in the reader's mind. For example, a descriptive essay about a beach might describe the sound of the waves, the smell of the salt air, and the feel of the sand on your feet.

2. The aim of narrative writing is to tell a story. Narrative writing can be used to tell a true story or to create a fictional story. Narrative writing is often used to entertain or to teach a lesson. For example, a narrative essay about a character's journey might describe the character's experiences, thoughts, and feelings as they go on a journey.

3. The aim of persuasive writing is to persuade the reader to take a particular action. Persuasive writing can be used to persuade the reader to buy a product, to vote for a candidate, or to change their mind about a particular issue. Persuasive writing is often used to argue a point or to present evidence in support of a particular position. For example, a persuasive essay about the benefits of exercise might describe the physical and mental benefits of regular exercise and provide evidence to support these claims.
